

Baxter Q. Peabody

English Springer Spaniel (b. June 24, 2007)

Baxter began scent-track training on September 15, 2007, with the Bonneville County Sheriff's Search and Rescue K-9 Team. He seems to be a "natural" and thoroughly enjoys tracking. After mastering scent tracking, he will begin training for air scent and cadaver searches. Mary Anderson is his primary handler and Danny Anderson provides support.
